Old Business:

- 9th floor at Yale is seeking meeting: Brian W. spoke to Michael K. about bringing in a new H&I presentation. Michael K stated that he has made numerous attempts to contact the facility with no resolve. It has now been almost 4 months since this issue was first brought to the attention of the H&I subcommittee. Due to the current lack of support the group conscious is to move forward and presently not take on any new commitments.

GNHASC H&I APRIL MINUTES 2015

- Rent check issue: Brian W. brought up issue of paying rent to The GNHASC business meeting in March. Area suggested the subcommittee can follow our 7th tradition by paying rent in service to the facility or by making a donation to the Yale General Development Fund. Subcommittee voted 10-1 in favor of making a \$10 a month payment to the general development fund postdated from January 2015 through present time.
- Motion to move time of the H&I subcommittee meeting to directly after the "No Excuses" meeting of NA: Pro; may increase addict involvement in H&I from members attending the "No Excuses" meeting. Con; mass services are held at the same time, we may lose members that are already involved in H&I that will no longer be able to attend the subcommittee meeting. Con; constantly switching time and location of the subcommittee meeting makes for no consistency. Vote: 0-11-0 motion failed.

New business:

- There is a new form for people that hold a yellow card for clearance to enter Connecticut DOC facilities. The form is an agreement of being aware of the standards for volunteers and contractors by the Federal Bureau of Justice Administration, to promote a zero tolerance of sexual misconduct in correctional facilities. If you have a yellow card you now need to have filled out and signed this form to gain access to these facilities. If you need a form or would like more information please contact Brian W., Sean O. or your service area's H&I Chair Person.

- **Recovery house- OTF** Antonio H. will cover this month.
